“Multigenerational Service” = interactive, participatory service; RE groups will not meet

“Curriculum” =

Prek-1st Grade – “A New Alphabet for Humanity”

2nd-8th Grade – “Windows & Mirrors”

“SUUnday FUUnday” – supervised free play and art during the scheduled RE time

“Zoom Make-up” – an on-line class during the scheduled RE time to accommodate families who are not comfortable having their children attend in-person RE, those children who are quarantined, and/or any child who would rather participate in a Zoom session than “FUUnday” activities.
